Request for Proposals

The Redevelopment Commission of the City of Greenville, N.C. is soliciting responses for the following projects:

Call for Developers – West Greenville Multi-family Housing Development. From the date of this advertisement until the due date, the Redevelopment Commission will be receiving responses from developers interested in the development of high quality, scattered site multifamily housing for the affordable market.

Request for Qualifications – First Street Market Study. From the date of this advertisement until the due date, the Redevelopment Commission will be receiving responses from firms interested in completing a market study for mixed use development in the central business district.

Specifications for both projects are and will continue to be on file in the offices of the City of Greenville Community Development Department, 201 West First Street, P.O. Box 7207, Greenville, NC 27835-7207 during regular business hours, and available to prospective respondents. Inquiries should be directed to Ms. Sandy Edmundson at the above address or by telephone at (252) 329-4502. Minority/women-owned businesses are encouraged to respond.

The Greenville Redevelopment Commission reserves the right to accept or reject any and all responses, waive informalities, and to make these awards in their best interest.

Wednesday, July 5 - Tuesday's Garbage, Recycling, and Bulky Trash Routes
Thursday, July 6 - Regular Schedule
Friday, July 7 - Regular Schedule

TUNE IN TO GTV-9 FOR CITY GOVERNMENT NEWS

Here are some tips for watching the Greenville Jaycees July 4th Fireworks at the Town Common

- The fireworks are scheduled to begin at approximately 9:15 pm.
- NO PETS, NO GLASS, NO ALCOHOLIC BEVERAGES WILL BE ALLOWED ON THE TOWN COMMON
- First Street in front of the Town Common will be closed to all vehicle traffic until all pedestrian traffic has cleared.
- The Greene Street Bridge will be closed to all traffic (vehicles and pedestrians) at 9:00 pm. All traffic will be diverted back to South Pitt Street. Vehicles will not be allowed to travel north until the conclusion of the fireworks. The bridge will be reopened at the conclusion of the fireworks display. The show will not begin until the bridge is cleared of all pedestrians and vehicles.
- Pedestrian traffic crossing the bridge should remain on the sidewalk at all times to accommodate vehicle traffic leaving the event.

Parking for the Event

- Do not park in private lots with posted no parking signs, or you might be towed.
- Try to park near Greene Street if you need to leave to the north (across the river).
- Try to park near Evans Street, Cotanche Street, or Washington Street if you need to leave to the south.
- Parking areas near the Town Common will fill early. Many areas will be blocked off for event activities.
- Leaving the Event
- Traffic Officers will be positioned along the main routes at intersections and traffic patterns will be altered to expedite the flow of traffic.
- Be patient and expect delays: Based on the estimated attendance, it will take approximately an hour and a half for event traffic to clear.
- Go with the flow: Stay with the flow of traffic as directed by officers and signals. Traffic patterns are designed to maximize traffic leaving the event. Don't try to turn across or travel against the traffic flow.

Sometimes a little out of the way is a lot faster:

- Greene Street will be one of the quickest ways away from the event. Travel north on Greene Street to Mumford Road. Then turn either right to go to Greenville Blvd. or left to go to Memorial Drive. Avoid turning back onto Pitt Street. That will take you back into the heaviest congestion.
- If you are parked near Cotanche Street, go south on Cotanche to 10th Street. Avoid traveling east on 5th Street due to extended delays and congestion.
- If you are parked near Washington Street, go south on Washington to Dickinson to South Memorial Drive.
- If you are parked near Evans Street, go south on Evans to 10th Street and Greenville Blvd.
- All traffic traveling south on Reade Circle (Sheppard Memorial Library) will be diverted right onto southbound Evans Street. Continue out Evans Street to 10th Street and beyond.
